

Ref No. ASA/234/003

SHARIAH APPROVAL FOR ZAKAT FUND READ FOUNDATION

Shariah Review: This is to certify that Alhamd Shariah Advisory Services (Pvt.) Limited has conducted a review of the Zakat collection, segregation, and utilization process of Read Foundation for the period ended December 31, 2025.

During our review, we examined the records of Zakat receipts and the related disbursements made for students considered eligible for Zakat. We also reviewed the internal system of the Foundation regarding Zakat fund management, including student eligibility verification, approval process, documentation, and segregation of Zakat funds.

Site Visits: As part of our review, site visits were conducted on a sample basis and meetings were held with beneficiaries. Based on our sample review, more than 70% of the beneficiaries checked were found to be eligible for Zakat as per Shariah requirements.

Confirmation: Based on the records and information provided to us, we are of the opinion that the Zakat funds have been utilized in accordance with Shariah principles, and payments were made to students who fulfilled the Shariah criteria for Zakat eligibility.

IMPORTANT NOTE FOR DONORS:

We strongly advise that donors clearly mention at the time of donation whether their contribution is Zakat. This will help in proper segregation of funds and ensure smooth Shariah-compliant utilization.
